An act to amend Section 65588 of, *and to add and repeal Section 65584.7*, the Government Code, relating to local planning.

LEGISLATIVE COUNSEL'S DIGEST

AB 1259, as amended, Caballero. Local planning: housing element.

*(1) The Planning and Zoning Law specifies the dates of revision for the housing element and prescribes the time periods for the submission of draft and adopted local general plan housing elements to the Department of Housing and Community Development and for the review of those elements by the department. That law also requires the department, based upon data provided by the Department of Finance and in consultation with each council of government (COG), to determine the regional share of the statewide housing need for the subsequent revisions to the housing element, and local governments within the regional jurisdiction of the Sacramento Area Council of Governments (SACOG) are required to revise their housing elements by June 30, 2002, for the 3rd revision, and June 30, 2008, for the 4th revision.*

*This bill would until January 1, 2014 authorize the Department of Housing and Community Development, consistent with the revised population projections released by the Department of Finance on July 9, 2007, to revise its regional housing need determination for the Sacramento Area Council of Governments for the 4th revision of the housing element, and prior to the adoption of the final regional housing need allocation plan by the Sacramento Area Council of Governments.*

**Existing**

(2) *Existing law* requires every city, county, and city and county to revise the housing element of its general plan as frequently as is appropriate, but not less than every 5 years, to reflect the results of the periodic review of the housing element. Existing law further provides that specified councils of governments must complete the 3rd and 4th revisions of the housing elements of their general plans by specified dates. Local governments within the regional jurisdiction of the Association of Monterey Bay Area Governments are required to complete the 4th revision on June 30, 2008.

This bill would extend the date by which local governments within the regional jurisdiction of the Association of Monterey Bay Area Governments must complete the 4th revision to June 30, 2009, and would make various technical, nonsubstantive changes.
